

May 28, 2021

To My Family of Patients,

For the past 16 years it has truly been my honor and privilege to associate with you as your dentist and, in many cases, friend. For that reason, the news I share with you today is bittersweet. After much thought and deliberation, I have decided to retire from my dental practice to pursue other interests and personal goals, as well as to spend more time with my family.

As you know I have strived to provide the highest level of dental care for you, my valued patient. I have taken this responsibility very seriously and have constantly studied the latest advances in the dental profession through continuing education so that I could take advantage of the latest technology for your benefit.

My commitment to maintain quality care for you has directed me to conduct a conscientious search for the right doctor to assume my practice. I have sought to secure another doctor whose training and skills are closely matched to mine, and whose dedication to providing comfortable, quality care is paramount in their mind. I am pleased to announce that I have found this individual in Dr. Daniel Krauss, who has the experience necessary to continue your treatment in a competent and caring manner.

Dr. Krauss received his dental education at the Nova Southeastern University College of Dental Medicine in Fort Lauderdale, Florida. He has recently practiced general and cosmetic dentistry in West Palm Beach. He and his wife Aly have 2 daughters, Reese and Kyle. When Dr. Krauss is not in the dental office, he enjoys playing the drums, golf, tennis, and spending time with his family. With his warm and calm personality, I feel that you will build the same sense of devotion and loyalty to him as so many of you have shown me over the years.

Dr. Krauss will assume my practice at its current location. The office telephone number will remain the same, (561)333-4901, as will the name South Shore Dentistry. The office and clinical staff will continue with him as well. During June, Dr. McClary and I will complete any crown and bridge cases that we have already begun. Should you have an open balance with the practice, please continue to send all payments to the office.

I sincerely thank you for the patronage and trust that you have shown me over the years. I hope that you will exhibit the same support and confidence in Dr. Krauss as he strives to maintain the strict standards and high quality of care that you have come to know and expect from our office.

With best wishes,

Michael E. Jaeger, DDS

Please join us in welcoming Dr. Krauss and his family!
